**CONSTRUCTION COST:**  
\$52,000,000

**COMPLETION DATE:**  
2006

### **Project Highlights:**

- 140,000 SF shared space facility
- 1,800 student capacity
- Naturally lit common area

The campus was designed by John Ciardullo Architects, P.C. and consists of three separate high schools, each with their own entrance.

Exterior construction features brightly colored aluminum plate panels. Shared space includes student diving, library, exercise, art, music and multi-purpose rooms.
